

Artists' Health Alliance Accessibility Policy

The following guidelines form the Artists' Health Alliance Accessibility Policy:

- All spaces used and rented for seminars and workshops will be in facilities that are wheelchair accessible and on TTC routes. Where possible this includes washroom facilities.
- Support persons for people with disabilities will not be charged admission fees for workshops and seminars.
- Registered service animals are welcome in Artists' Health Alliance office areas and all locations where seminars and workshops take place.
- Every effort shall be made to contact all participants should elevator services be temporarily unavailable prior to a seminar or workshop. A participant requiring the elevator shall be credited for all fees charged should they not be able to attend due to the disruption of service.
- All personal assistive devices shall be permitted in the rooms used for workshops and seminars. Where the flooring requires special care, notice of this shall be given to participants in advance of the workshop so alternative arrangements may be made and special requirements may be accommodated (the dance studio at The Al & Malka Green Artists' Health Centre for example).
- All participants, visitors, volunteers and patrons shall be treated with dignity and respect.
